

Curriculum Vitae Arnand Siem

Summary

Enthusiastic and energetic technical innovator, with a proven growth mindset. I'm good at initiating and accelerating projects through effective stakeholder management and hands-on involvement.

Soft Skills: Growth mindset, strong communication and analytical skills.

Hard Skills: AI specialist, Python, SQL, PBI, Excel and Powerpoint.

Experience

Jan. 2024

Freecademy, Rotterdam - *CEO and Founder (parttime)*

- We developed a [SaaS learning platform](#) for the SME segment, including some cool AI features. Currently validating if there is a product market fit.
- My involvement: started our founding team of 4 persons, Product owner of the application, developed the AI recommender (LangChain, OpenAI) and responsible for the P&L.

Jul. 2021 - Jan. 2024

Koppert, Lansingerland - *Teamlead AI team and Data Scientist*

- After Koppert acquired AgriAI, I was responsible for the transition of AgriAI into Koppert. and grew the AgriAI app internationally.
- Build a new AI team within Koppert and also implemented new AI Applications.

Sep. 2019 -Aug. 2021

AgriAI, Rotterdam - *CEO and Founder (successful exit)*

- AgriAI was acquired by Koppert in the seed phase for €1 million. [The application](#) is rolled out internationally, where it analyzes over 8000 images per week.
- My responsibilities: final responsibility for the company, raising capital, partnerships and negotiations and building the AI model (tensorflow, tiny object detection).

Jun. 2017 -Jul. 2021

KPN, Amsterdam - *Data Scientist*

- Responsible for the churn team within Advanced Analytics Consumer Market.
- Implemented various AI models (predicting and prescribing treatments to optimize customer retention).

Sep. 2015 - Apr. 2017

Publieke Zaken, Den Haag - *Consultant Public Relation*

- Developed a [monitoring information application](#) that notified customers automatically if there was important information on behalf of their interests.

Other functions

Jul. 2022

Treasurer and member [Round Table 136](#), Lansingerland - Charity and personal development.

Some charity events I was proudly part of:

- [Concert at the Park](#): a local party for ±4000 people, including A-artists. We raised €45k for local charity.
- [Round table Run](#): a rally for ±80 cars. We raised €19k for Lymph & Co.
- [Kids at the Park](#): organized a free festival for 9000 local children.

Jul. 2015 - May. 2017

Secretary political party in Lansingerland
